

**Celebrate the International Year of Forests
with Project Learning Tree this summer!**

The United Nations General Assembly declared 2011 as the International Year of Forests to raise awareness on sustainable management, conservation and sustainable development of all types of forests.

<http://www.un.org/en/events/iyof2011/>

Forests are vital to the survival and well-being of people everywhere:

- shelter for people habitat to biodiversity
- source of food, medicine clean water
- vital role in maintaining a stable global climate and environment
