Users also should note that property boundaries included in any product do not represent an on-the-ground survey suitable for legal, engineering, or surveying purposes. They represent only the approximate relative locations.

Additionally, the user is advised that data included in this assessment provides a baseline for future assessments. Upgrades of data, enhancements, or modification of assumptions used within the product may change the outputs. States may calibrate the Westwide product to fit their individual state condition and needs, resulting in outputs that are different because of scale and context.

By accessing this product and/or data contained within the databases, you hereby release the Western Forestry Leadership Coalition and the Council of Western State Foresters, their employees, agents, contractors, and suppliers (collectively, "WFLC") from any and all responsibility and liability associated with its use. In no event shall WFLC be liable for any damages arising in any way out of the use of the product, or use of the information contained in the databases herein including, but not limited to the Westwide Wildfire Risk Assessment products.

The user assumes the entire risk related to their use of this information, including but not limited to the Westwide Wildfire Risk Assessment and either the published or derived products from these data. IN NO EVENT WILL WFLC BE LIABLE TO YOU OR TO ANY THIRD PARTY FOR ANY DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES OR LOST PROFIT RESULTING FROM ANY USE OR MISUSE OF THESE DATA, EVEN IF THE USER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
